## Description

650/2000

I am requesting a spreadsheet detailing the number of reportable events of negligent discharges and friendly fire in the Navy, on- and off-duty from Sept. 11, 2001 until the date this request is fulfilled. In the spreadsheet, I am requesting location and date/time, DOD reportable severity level A-D, identification of whether the event took place in service of Operation Iraqi Freedom or Operation Enduring Freedom. I would like to receive the information in electronic format. I am also requesting reports of the reportable events, including narratives. I am asking for rolling release of the spreadsheet and the documents as they become available.

N.B.: I've already received contracts related to this from NAVSUP under DON-NAVY-2018-007929. NAVSUP forwarded a related portion of that prior request to DONCIO; Christopher Julka of DONCIO said he's doubtful DONCIO has the information requested here. Please research who at Navy will have this information. Note that USAF Reserves has been able to provide info on equivalent USAF Reserves recruitment ads.
